

# Agua Fria National Monument

## BioBlitz

May 21, 2016

**Become a Citizen Scientist and Help Document Plants and Wildlife on the Agua Fria National Monument**

**Use iNaturalist to document observations**

- **Observations will be verified by Biologists and Subject Matter Experts**
- **Results will be shared in a national database and displayed on the National Mall**

**This BLM event is done in assistance to the National Park Service BioBlitz Events held across the Nation**

**For further details contact AFNM Biologist Paul Sitzmann at:  
[psitzman@blm.gov](mailto:psitzman@blm.gov) or 623.580.5695**
